Laboratory Safety Policy

SYNTHETIC DOCUMENT. Northbridge Institute of Technology is fictional; this file exists only to test Sentinel-RAG.

Personal Protective Equipment

Safety goggles and a lab coat must be worn at all times in chemistry laboratories. Closed-toe shoes are mandatory in every laboratory.

Incident Reporting

Every laboratory incident, including minor spills, must be reported to the lab supervisor within 24 hours using the incident form.

Fume Hoods

Work involving volatile solvents must be carried out inside a fume hood.
